CWA student involved in breaking a world record!!!!!!

On Tuesday, December 20th, CWA 3rd, 4th and 5th grade students read with Ryan Grant and Craig Counsell and over 4,300 other Milwaukee area children for 30 minutes and broke the current world record of 4,222 students held in Nigeria. This record was just recently broken on September 8, 2011 and now our students are part of history. Congratulations and thank you to the many parents who were able to join us for this very fun event of celebrating reading!

Emergency Cards

If your child brought home a green emergency sheet, please complete and return it to school. The office needs to have a current contact sheet with phone numbers that work in case we need to contact you in an emergency.
